Northern Lights

Weekly News and Notes from Hanna, Elk Mountain, and Medicine Bow Elementary Schools

Notes from the Principal

As the song says, "It's the most wonderful time of the year." While our kids and teachers are still hard at work learning and teaching, there has been much going on in all three schools. Medicine Bow and Elk Mountain have already held their concerts and they were fabulous. Under the direction of Ms. Glasser, the kids learned songs in different languages from around the world. The students can be proud of what they were able to share and the audiences were quite entertained. The HES program is Tuesday evening and Ms. Felton in the kids are sure to entertain.

From door decorations in Hanna to gingerbread houses in Elk Mountain, the schools are putting the season on display and the excitement can be felt everywhere. We are looking forward to ending 2017 on a high note, and we hope everybody starts 2018 ready to work.

A quick note about snowy weather and bus transportation. As you know, last week we had a late start to our day due to the weather. Hanna's 3-6 grades are on their way to Cheyenne to the state museum today and all of Elk Mountain and Medicine Bow are on their way to Cheyenne tomorrow. We rely on WYDOT and the professionalism of our bus drivers to make a decision as to whether our buses should be on the road. We will not put our kids in danger if WYDOT or the weather service advise against it. Potentially hazardous weather is a product of where we live, but please know that we have safety first and foremost in our decision making process. Please call if you have any questions.

UW engineering students share their expertise with Elk Moun-

Medicine Bow Kids share their Book Fair findings.

Some Hour of Code projects take more than one computer .

Next Week

●Monday

4:00 School Board Meeting in Saratoga

Tuesday
