Dear Elli—Advice—by Elliona Young

Dear Elli,

My friends are fighting and I am in the middle of it what should I do?

Dear Sad one, I think you should talk to them using (I feel) statements, like I feel sad when you fight around me. I hope this helps you with your friends.

It is during our darkest moments that we must focus to see the light.

If you are having problems with anything and need any advice please send me an email. Send it to yelliona@crb2.org

Luigi vs Tails

Tails quickly runs up to Luigi (with his tails on fire for a brief moment, presumably due to the explosion) and has him backed up against the pipe. With the two being face-to-face, Luigi readies his Hammer to squash Tails and end the fight, but isn't fast enough as the Magic Hand quickly rockets forwards, impaling Luigi through the abdomen and damaging the Warp Pipe.

It took until mid-February, but it looks like winter may be here. Not that we want the bad weather and roads, but we are hoping for good snow conditions for our ski day next Thursday. Hopefully you have all checked through the gear list and your child is ready for the day. We are now past the midpoint of the third quarter with a busy four weeks ahead. Remember that tomorrow is a regular school day. Have a great weekend!
